Federations are invited to work with Race Organisers and potential LOCs to send in any expressions of interest for All IAU Championships that are "open for bids". These should list the championships being bid for possible dates to hold the event, previous race organisation experience proposed course, accommodation and travel proposals and IAU federation approval.

All EOIs should be received by 31st March. Full bidding documentation will then be issued and full bids should be received by 31st May
