

Latest update on

World Mountain and Trail Running Championships, Thailand, 3rd – 6th November 2022.

September 7th, 2022

Chiang Mai

We are now only two months away from our first World Mountain and Trail Running Championships in November and we are getting ready, and federations are making their final team selections probably as I am writing this!

46 countries have submitted Preliminary Entry Forms and some have submitted their accommodation requirements.

Yesterday the LOC sent out the Final Entry Form to all 46 counties and also repeated the accommodation details so if any federation hasn't received this please contact secretariat@wmtrc2021thailand.com

Soon, federations will also receive the link/code from the LOC for the airline to get a discounted flat return fare from Bangkok to Chaing Mai.

All accommodation payments and the Final Entry Form deadlines are for 25th September

Interest is mounting in Thailand and there will be a ministerial Press Launch which we will also be attending in Bangkok on September 20th. We will also be holding a further site visit to fix final arrangements during this period, and we will be reporting back to you on that at the end of the month.

If you have any queries, please contact the LOC or us,
