

# IAU Label application

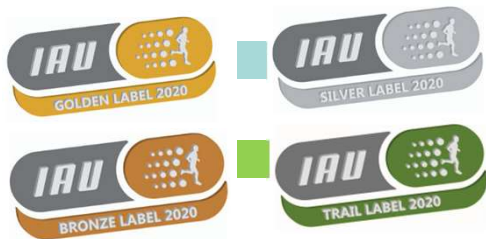

This one pager will help you with you IAU Label application.

## Documentation

Version 1.0 (March 2025)

- The organization must be affiliated to its National Athletic Federation
- The validity of the course measurement may not exceed 5 years when the course has not changed from the original course. The only exception is for officially measured track courses with a track certificate that is still valid.
- For Trail courses, the measurement of the course must be done with GPS at 10-meter intervals to make the measurement as accurate as possible and the GPS track published.

### Label Facts:

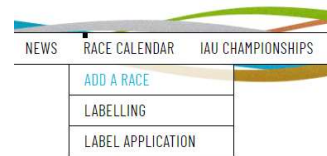

- There are 4 labels (Gold, Silver, Bronze for road/track events and Green for Trail events)
- **All labels are free of charge**
- All applications must be made with online application
- Course measure for IAU labelled races must be by certified course measurers
- IAU label will be given for an event for one calendar year

## Process

### Submission | Race Director or LOC representative

Submit your Label application via IAU website online form "LABEL APPLICATION". Link provided below.

Make sure you have all required documentation as described on "Labelling guideline"

### Calendar Entry | Race Director or LOC representative

It is important to the race to IAU Calendar at the same time of the submission of IAU Label application.

### Review | IAU Labelling Committee Members

- Application is recorded and distributed for review
- First review and discussion with requestor (if needed)
- Completion of the 1st review process
- 2nd review by IAU Records Committee Coordinator

### Approval | Chair of IAU Labelling Committee

Chair of the IAU Labelling Committee will issue Label Certificate and will provide all documentation to requestor including Label Logo and Certificate for particular year.

### Publication | Chair of IAU Labelling Committee

- Chair will update calendar entry for the race
- Label will be visible at IAU Calendar
