## 1. WELCOME

On behalf of the Local Organising Committee, I would like to invite all the Asian and Oceania Federation 24H runners to race at the IAU 24H Asian and Oceania Championships which will be held in Canberra, Australia from the 5 – 7 April, 2024.

Since 1987, when the Australian Ultra Runners Association was formed, Australia has had a long and deep seeded passion for the sport of ultra running. We have been involved with World Championship 24H events since inception of this format in 1990. The inaugural 24H Asian and Oceania Championships were held in Kaohsiung, Taiwan in 2016 where Australia secured team gold medals in both the men's and women's.

It has been the dream and desire of many an Australian ultra runner to host an IAU Championship Event on our home soil, where we can welcome the world's best runners to race in our beautiful country and join us in the same appreciation we have for the sport of ultra running. Australia has always strived to make a positive contribution with our international teams and involvement with the IAU. Hosting a championship event follows that path set by our rich ultra running history.

The race will be held in Canberra at the Australian Institute of Sport's Track & Field Centre- arguably Australia's best 400m track for runners, spectators and world's best performances. The track (all weather MONDO synthetic track) is of IAAF Certification allowing for any World Records that are broken throughout an event to be recognized. Canberra's historically low temperature and humidity environment provide runners with the ideal conditions to reach their full 24H distance potential.

Canberra, Australia's capital city, punches far above its weight. Well-known museums and historical sites are just the beginning. Dig a little deeper to find bustling brewpubs, hidden gems, quiet nature and family-friendly attractions. We understand that traveling to Australia is a long way, therefore for runners we're providing the best facilities for them, and for those exploring before and after the event – an Australian location that offers the best of our country.

It's Australia's, AURA's and my honour to invite you to race here and finally enjoy us hosting an IAU Championship. The 2024 24H Asian and Oceania Championships Local Organizing Committee wish you the very best stay and great success to all the athletes.

Aussie, Aussie, Aussie!!!

**Matthew Eckford**  
Race Director , LOC

Dear Friends

I would like to welcome you to the IAU 24 Hour Asia and Oceania Championships in Canberra, Australia.

Australia has been a strong force of ultrarunning both on the regional and global level for quite some time. This is the first time that Australia will be hosting a major IAU competition. It continues without global goal of organizing championships in areas where we haven't been before.

I want to take this opportunity to congratulate Simone Hayes, President of Australian Ultrarunning Association for being a staunch supporter for Australian and global ultrarunning. I am sure this is a crowning achievement for Simone bringing these championships home.

Matt Eckford has worked really hard on not only developing a successful bid to acquire these championships but also on developing them as we get closer to the event date. I know he and his team will continue to work hard on displaying a world-class event for the Asia and Oceania ultrarunners.

I welcome the federations and athletes from Asia and Oceania to join us as this historical event as we celebrate our sport of ultrarunning in the Down Under. It will be truly a regional celebration of ultrarunning!

I echo our hosts chants – Aussie Aussie Aussie! Oi Oi Oi!

**Nadeem Khan**  
President, IAU

## 10. ENTERING AND LEAVING AUSTRALIA

Please visit the Department of Home Affairs for visa details and advice on entering and leaving Australia: <https://www.homeaffairs.gov.au/covid19/entering-and-leaving-australia>

Australia requires a Visa for entry and has very strict biosecurity requirements.

Please ensure you review the Visit and tourism section of the [Department of Home Affairs](#).

## 11. TRAVEL TO CANBERRA

Most international flights fly into Sydney or Melbourne with a connecting flight on to Canberra Airport. Shuttle buses from Canberra airport to your accommodation will be running for the event. If you prefer to make your own arrangements and catch a taxi or UBER, there are taxis and UBER facilities at the airport upon arrival. If you are staying on in Canberra for a longer duration, hire car facilities are also available at the airport.

### **Transfers From and To Airport**

Travel to and from Canberra airport will be arranged at no extra cost for those staying at the official accommodation for the race and transfers will be finalised once the FEF is provided.

Upon arrival, teams will meet the LOC transfer staff who will wait for them at the arrival area of Canberra airport. The returning transfers to Canberra airport after the race will be arranged prior to departure and the LOC team will finalise this with you once your final travel details have been provided to us. Teams will receive an event handbook which contains details on Airport transfers closer to the event date.

## 12. ACCOMMODATION

There is a selection of properties close to the event venue where teams will be staying. Please indicate which property you would prefer in your PEF to assist us with planning.

### Check-in / Check-out

Transfers to and from the airport to your hotel will be organised and the LOC will take care of communicating your check-in times (subject to availability) to your accommodation provider. For organising purposes, please inform the LOC well in advance of your travel plans.

### Meals

Breakfast, lunch and dinner will take place at each property. Please indicate food restrictions/dietary requirements of the athletes within the final entry form notice. The meals served are only provided to the accredited team members (athletes and officials) who are booked officially by FEF and are wearing a lanyard/or have a food voucher.
