## **WHAT IS THE IAU**

The International Association of Ultrarunners (IAU) works under the patronage of the WA and is dedicated to developing ultra-distance running internationally within the WA Rules & Regulations. As international governing body for ultradistance running, one of our main objectives is to promote and develop long distance running in the various continents by encouraging specific activities in each of the WA Continental Areas.

## **COMPETITIONS**

The 100 km is our “flagship” since the WA officially sanctions this distance and ratifies 100 km world records. More recently WA has recognised the 50 km distance for world records as well.

The annual major IAU competitions are :

- 100 km World Championships under the patronage of the WA
- 100 km Area Championships
- 24H World Championships
- 24H Area Championships
