

IAU Championships 2019-2021. Bids are open.

Bids to hold IAU Championships are still open for a number of IAU Championships and we are looking forward for the period to 2021. If there are any Federations and organisations wishing to consider hosting one of our major championships in the next years please look at the table below to see availability. The bidding procedure and relevant documents can be found under the IAU Championships tab here on the IAU website. Please contact us if you are interested and we would be grateful for any expressions of interest at this stage for those championships with "bids open" by end of **June 2018**. On receipt, prospective applicants will then be sent the full MIAUC application form for completion by **July 31st 2018**.
