

### IAU Championships 2018-2020. Bids are open.

Bids to hold IAU Championships are still open for a number of IAU Championships and we are looking forward for the period to 2020. If there are any Federations and organisations wishing to consider hosting one of our major championships in the next years please look at the table below to see availability. The bidding procedure and relevant documents can be found under the IAU Championships tab here on the IAU website. Please contact us if you are interested and we would be grateful for any expressions of interest at this stage for those championships with "bids open" by end of February 2018. If any organisation/federation wishes to stage any of the remaining Continental 100K Championships for 2018 or the World 50K Champs, please contact us as soon as possible.
